1<sup>st</sup> February 2017

Dear Parent/Guardian

We will be holding Progress Evening on Wednesday 8<sup>th</sup> February 2017. This will be a chance for your child to share and celebrate their work with you. They will also have the opportunity to discuss their targets and explain how they are working towards mastering them. The evening will be very informal and you are welcome to drop in with your child at any time. Your child's class teacher will be available, although your child will lead the discussion as we want to ensure they feel they have full ownership of their learning. The evening is not designed to replace Parents' Evening, which will take place later on this term.
