25th May 2017

Dear Parent/Guardian

This term we are excited to announce **Knowsley Enterprise Week 2017** will take place the week beginning 19th June. There will be a school fair at the end of the week on Friday 23rd June.

Over the course of the week, each class will be given the opportunity to create their own business. They will be tasked with researching, designing and evaluating ideas to help them to make products to sell at the fair and raise money for school. Classes will compete against each other to win awards and prizes in various categories such as The Most Profitable Business, The Fair Trade Award and The Best Teamwork Award.

This week has been incredibly successful in the past, teaching children invaluable team work, business and entrepreneurial skills. It has proved to be a fantastic learning experience for the children, enabling them to develop skills across the curriculum within a meaningful, real life context.

WOULD YOU LIKE TO BE INVOLVED?

Support from local businesses has been invaluable to the success of previous Enterprise weeks. Could you or your company sponsor your child's class to help them succeed? We are aiming to provide each class with £50 to start up their business. We would welcome sponsorship of any amount to contribute to your child's class of budding entrepreneurs.

We would welcome any business advice you could offer and would also like to invite you to help judge at the event itself. Any help you could offer, either as a business or an individual would be much appreciated.

For more information, please contact your child's class teacher, or Mrs Jeffares, at school. We would like to request that sponsorship is pledged by Friday 9th June.

Yours sincerely

Miss V Payne
